* Ratings are calculated with data available by 03/07/2011. All Career Centers in South Carolina are included.

TECHNICAL SKILL ATTAINMENT

The percentage of students enrolled in career and technology courses at a center who earn a 2.0 or above on the final course grade.

Our Center		State Center Average (%)
n	%	%
390	89.2%	86.0%

GRADUATION RATE

The number of 12th grade career technology education students who graduate in the spring is divided by the number of 12th graders enrolled in the center and converted to a percentage.

Our Center		State Center Average (%)
n	%	%
92	97.8%	95.8%

PLACEMENT RATE

The number of career and technology completers who are available for placement in postsecondary instruction, military services, or employment is divided into the number of students over a three-year period who are actually placed and converted to a percentage. This criterion mirrors the Perkins standard.

Our Center		State Center Average (%)
n	%	%
111	96.4%	96.7%

NAEP PERFORMANCE*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

READING – GRADE 8 (2009)

MATH – GRADE 8 (2009)

SCIENCE – GRADE 8 (2005)

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent satisfied with school-home relations	87.5%	86.4%	75.0%

* Only eleventh grade students and their parents were included.

REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

Enoree Career and Technology Center is located in Northern Greenville County, just south of Travelers Rest. The center was built in 1973, and a four million dollar renovation was completed during the 2005 school year. Enoree Career and Technology Center serves students primarily from Berea High School, Carolina High School, Travelers Rest High School, and Wade Hampton High School; however, students from any Greenville County high school may elect to attend the center for specialized career development courses. Enoree Career Center is accredited through the Southern Association of Colleges and Schools (SACS).

The programs taught at Enoree include Automotive Collision Repair, Automotive Technology, Building and Construction, Certified Nursing Assistant, Anatomy and Physiology, Cosmetology, Early Childhood, First Response, Law Enforcement, Graphic Arts, Fashion Merchandising, Occupational Diploma Program, Sports Medicine, and Web Page Design. Some of the courses taught at Enoree are dual-credit through Greenville Tech. All programs are offered in accordance with the standards established by the Office of Career and Technology Education in SC State Department of Education.

Our Cosmetology students had an 80% success rate with the State Cosmetology Certification. Certified Nursing Assistant program had 85% success rate. Auto Collision Repair and Automotive Technology continue to work toward National Auto Technician Education Foundation (NATEF) certification. Building and Construction has received National Center for Construction Education and Research (NCCER) certification. Our Health Sciences department meets DHEC standards and the Certified Nursing Assistant program is certified by the State of South Carolina. Our Emergency Response program receives Red Cross certification in CPR and AED. We have an articulation agreement in place with Greenville Tech, and several of Enoree's courses are dual-credit.

Enoree students have competed in state competitions and have represented the Center well. A Law Enforcement student placed third the state Skills USA Criminal Justice competition. Enoree's Quiz Bowl team placed second in the state as well as the school's Promotional Bulletin Board team.

Every completer student received academic assistance by using the Key Train Employment skills training software. 95% of Enoree's second year CTE students received a WorkKeys Employment Skills Certificate.

The Center selected students of the month in each program at the school. Students of the year in each program were recognized at the Center's awards day, as well as director's awards winners, citizenship awards winners and scholarship recipients. Outstanding students are awarded membership in the National Technical Honor Society. Enoree offers single semester introduction courses in almost every program at the center. This change in scheduling, along with the staff's recruitment efforts, has resulted in a 55% increase in enrollment for the 2009-2010 year. Enoree, in conjunction with Greenville Tech, offered a Culinary Arts Program this year. Enoree maintains a great degree of flexibility in classes and curriculum in order to meet the needs of our students, their home base schools, and the community around us. Our goal is to prepare our students for the future, whether it is entering the work force or continuing their education in a post-secondary environment.

James Odom, School Improvement Council
